## SYMBOL OF NEW LIFE

We see chicks and bunnies everywhere at springtime. Baby animals of all kinds are born in the spring, bringing new life to the whole earth. Similarly, Jesus Christ makes it possible for all of us to have new life.

## CONTINUED

In Romans 6:4 we read that we are symbolically buried with Christ when we are baptized. When we come up out of the water we are "born again" and new in Him, washed clean from our mistakes. We can be "new creatures" through Christ's power (read 2 Corinthians 5:17).
