

PAPER SNOWMEN

Too cold to play out in the snow?

Make this no mess snowman inside where it's warm!

WHAT YOU'LL NEED:

- Glue or tape
- Construction paper (various colors)
- Googly eyes (optional)
- Pom poms (various sizes & colors)
- Buttons
- Scissors

INSTRUCTIONS

- 1 Cut out shapes on page 2 & overlap circles into the shape of a snowman
- 2 Glue or tape circles together. Place hat on top & glue or tape to snowman body
- 3 Glue or tape scarf onto snowman
- 4 Decorate as desired!
(pom poms, buttons, crayons, paper, & anything else you want!)

 **ADDITIONAL IDEA: make a circle for each letter of your name!**

Count how many letters you have in your name. Using a cup, trace that number of circles and cut them out. Spell out your name by putting one letter in each circle. Follow the steps above to assemble and decorate!
